CASE NUMBER: \_\_\_\_\_

CONTINUE ARRAIGNMENT
WAIVER OF TIME FOR TRIAL
ORDER AND NOTICE OF NEXT COURT
DATE

The defendant and the Assistant City Prosecutor request to continue arraignment. The defendant specifically reserves the right to object to the sufficiency of the complaint. The defendant also reserves the right to raise any objection to the timeliness of the arraignment date that may exist as of the date of this waiver, and reserves argument if an objection on either is made. This reservation of rights as to the timeliness of arraignment is valid only to the date of the first pre-trial hearing at which time it must be resolved.

The defendant understands that the defendant has the right to have the trial within 60 days if detained in jail, or 90 days if not detained in jail, on this case. The defendant wishes to give up this right and agrees that the new commencement date will be the next court appearance for the defendant.

The next court date is 04/22/2022 at 9 am in Courtroom 1001 for an arraignment hearing.
